**When:** July 9-14, 2023. Check-in at 3pm Sunday, July 9, pickup Friday July 14 at 6pm.

**How Much:** \$600 - less the \$100 group discount = \$500

Here is the link to [Crestfield's website](#) which contains more details about the camp and activities. Also, if you are interested in chaperoning alongside me with our group, please let me know.

To give us visibility on who is going, [please add your name to this google form](#).

NOTE: This does not officially register you, it just lets others in our group know that you're in! See below for registration details.

## Registration Instructions

Please follow the instructions below to register and ensure you get the special youth group pricing.

Registration must be done directly on the [Crestfield website](#).

You will need to create a login and password for their registration site.

Once you've done that, go to the bottom and click on the "start a new registration" section. (It says "Maintenance Connection 2023... I have no idea why, but that's where you click "start application").

Then it will ask you to add kids and you have to add each by name and then select the overnight camp week July 9-14.

When you add them to your cart, the super early bird discount automatically pops up (not sure if it will still do that now), but under each name, there's a small green link to add another discount code.

That's where we have to use the code **CHURCHGROUP**. Once you enter that it takes an additional \$100 off each registration, but you have to add it to each kid's name.

Once registration is complete, you will be asked to fill out required paperwork, which is also done on-line through this same portal.
